

Jonathan Payne

I am a graduate of Greece Olympia HS and SUNY Fredonia. At Fredonia, I was a 2x captain for the men's soccer team and was selected as an All-American my senior year. After college, I was the men's assistant soccer coach at SUNY Cortland for two years and then an assistant coach for the University of Rochester men's soccer team for one year. I have a USSF National "C" Coaching license and have been coaching with CSA for the past 10 years (5 years with travel). I currently coach both the G2008 and G2011 teams.

My focus is on player development, team tactics, and teaching the girls how to be good teammates. I see this team as an avenue for the girls to get ready to play soccer for their respective schools. My focus is on the girls and what I coach - results on the field will take care of themselves if the girls do their job and support their teammates. I also want to see the girls grow off the field to be strong and confident away from soccer.

(For Crush) We currently play in RDYSL Division 1 with 4 outdoor tournaments a season (with at least 1 out of town tournament). Practices are twice a week in season unless we have a game and then it's once a week. I support and encourage the girls to play other sports and get involved in school activities.

(For Clash) We currently play in RDYSL Division 1 with 4 outdoor tournaments a season (with at least 1 out of town tournament). As this team gets older, we will look to pursue higher level leagues and tournaments to challenge this talented group of girls. With that said, I still support and encourage the girls to play other sports and get involved in school activities.
